

**BREAST CANCER
AND THE
ENVIRONMENT**
A COMMUNITY WORKSHOP

Saturday, May 22, 2021

9 a.m. to 1 p.m.

Virtual

This free event hosted by the **Breast Cancer Care and Research Fund** and **City of Hope** is to educate the community on the potential effects of environmental chemicals on breast cancer risk and the precautionary steps that can be taken to reduce exposures to chemicals.

- Interpretation services in Spanish and Chinese/Mandarin
